Just one mile from KY Dam Marina!

Free pick-up available for guests flying into KY Dam Airport. (We'll even drop you at dinner or the golf course.)

Welcome

We're The Lakehouse Inn at Sledd Creek – a vintage roadside motel with an updated, contemporary twist. Clean, modern, luxurious rooms and spacious cabins welcome travelers – while our on-site amenities make everyone feel at home. You're going to love it.

Clean, Cute & Comfy

Handmade furniture, plush linens, high-end bedding, sleep-sound machines and in-room fans are just a few of the features that our guests rave about. Kings, queens, adjoining and ADA rooms are all available. Guests also love that every room has a kitchenette with microwave, refrigerator/freezer and coffeemaker. And real dishes and glassware. And a dining area. You should totally visit.

Who Wants to Stay? I Do!

Our pool area isn't just for swimming – our fountains and light shows make it a perfect spot for parties and yes, even rehearsal dinners and weddings. Reserve the entire property for your wedding party and trust us: no one will dare object.

Room for Six

Our cabins aren't EXACTLY in the woods, but they're close. And they all have full kitchens, double queens in the bedroom, and a full-size sleeper in the living room with a gel mattress (no springs to poke you in the back). Your own grill and patio rockers complete the package. Who's Inn?

Follow Us

Pavilions & Grilling

Guests are welcome to use our pavilions with picnic tables, fans, electricity & charcoal grills.

Vending & Laundry

We have snacks, ice machines, and bulk ice for purchase. And pack light because we have guest laundry.

Game Area

Ping pong, cornhole, giant dominoes, connect 4, washers, horseshoes and a NEW putting green are all poolside.

Free Breakfast

Slink on down to the lobby in your PJs if you like. We'll have breakfast ready for you.

A Destination for All Seasons

For the most beautiful pools at Kentucky Lake, look no further. Our two resort pools with a 5,000 square foot patio give guests room to spread out and relax. Go ahead, use our cushions. Or drag your chair into the tanning ledge - we totally get it! There are changing areas and rest rooms in the pool house so you can swim before checking in AND after check-out. We'll have the fountains on when you get here - and pool towels in your room.

When the evening rolls around, your entire group can hang by our custom gas firepit. No stoking necessary. Or sit outside your room and enjoy the sunset and a beverage in our Adirondack chairs.

Our coffee bar/check-in/lobby area is like nothing else at the lake. Watch some TV. Brew some coffee or tea. Have breakfast with us. Grab a water. Enjoy the fireplace. Share some wine. Buy some merch. Or work - if you must. While you're there, admire the pieces on display by local artists. Then make your next reservation, because we know you'll be back.

Welcome to the Inn Crowd!
