A wooden table holds various spa amenities: a glass vase with yellow tulips, a brown loofah, a dark brown tray containing L'Occitane products (a bar of soap, two bottles of lotion), and a small gold-colored insect figurine. The background is a soft-focus light blue with pink flower petals floating in the air.

When you step through the doors of Le Spa Forêt,

prepare to be swept into a state of pure bliss.

Complete with a variety of teas, fruit-infused spring water, snacks, a dry sauna, and an indoor salt-water pool, every moment spent at our spa will soothe every inch of the body. Arrive early or stay after your spa treatment to enjoy each of these complimentary amenities. After all, nothing compares to the peace and tranquility of a Pocono Mountains destination spa.
